Welcome to Derbyshire Open Arts 2023

An Open Studio Event

Saturday 27th to Monday 29th May 2023

Opening hours 10.00am - 5.00pm unless otherwise stated in individual entries

Join us for late Spring Bank Holiday weekend and visit one or more of over 200 artists showcasing their work across the county. This annual event is run by, with and for artists celebrating the creativity and passion of Derbyshire makers and creators.

In this brochure you will find a huge range of artists and makers. They are laid out by geographical location, with a map of venues in the centre, and an alphabetical directory. Check out our website to search by genre and to see each artist's own page with further images and information about their work.

Derbyshire Open Arts is run by volunteers and is funded entirely by our artists' subscriptions and brochure advertisers. Please do support our advertisers and the many cafes, garden centres, hotels and galleries who promote our event.

We're looking forward to meeting you over the weekend. It's a brilliant opportunity to get out and explore beautiful Derbyshire, meet lots of interesting people, see inspirational art and have a great time.
